NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for the renewal of groundwater discharge permit NEV99009 from the following applicant:

Ev Con Recycling
3061 North Nellis Boulevard
Las Vegas, Nevada 89115

for a portable water treatment unit based at the following facility :

Ev Con Recycling
4560 East Hammer Lane
Las Vegas, Clark County, NV 89115

The Applicant has applied for a renewal of permit NEV99009 to operate a portable water treatment system for the removal of hydrocarbon contaminants. The system is designed for and limited to the treatment of groundwater impacted by leaking underground storage tanks (USTs) and water used to rinse fuel storage tanks. Treated water is used for dust suppression at the Ev Con Hammer Lane facility and at the nearby Silverado Recycling facility, located at 5001 Range Road in Las Vegas. All treated water must meet water quality standards prior to discharge.

Persons wishing to comment on or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than 5:00 P.M. on July 21, 2005, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
333 West Nye Lane
Carson City, Nevada 89706-0851

Comments and/or hearing requests received via facsimile or e-mail before 5:00 P.M. July 21, 2005 will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Janine Hartley, Bureau of Water Pollution Control at (775) 687-9458, or at jhartley@ndep.nv.gov. The office facsimile number is (775) 687-4684. This notice and the Fact Sheet for this facility are also available on the NDEP website at www.ndep.nv.gov/admin/public.htm.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
